

The Western Australian College of Teaching

Professional Teaching Council of WA - Registered Teacher (RT) Registration Renewal Information Session

In the coming months, many Registered Teachers will receive notification from the College that their registration is due for renewal. The need to renew is required every five years for Registered Teachers. For many, this will be the first time since becoming a College member renewal is required.

The College is holding a session that aims to provide information about the renewal process and guide members through the new online registration renewal form. Dr Suzanne Parry, Director, Western Australian College of Teaching, will conduct the session and will be available to answer any questions.

Date: Wednesday 24 March 2010
Time: 4.30pm - 6.00pm
Location: Mount Lawley Senior High School Staff Room

The Information Session will include:

- legislative provision for renewal of registration;
- facilities for PTCWA Education Providers to record Professional Learning
- a step-by-step guide through the online renewal SmartForm.

The session is free.

To Register - contact Gillian Skeggs, mobile 0402 005 049 or email: gillianskeggs@iinet.net.au

For any queries about the session, please contact Simone Harris, Manager Professional Learning and Standards, via email simone.harris@wacot.wa.edu.au
