***Turbo-charge your classroom with Language Perfect 2009: Craig Smith***

Language Perfect makes vocabulary learning fun. It is fast-paced online software that has been developed in New Zealand over the past 4 years. What makes it truly unique is that it has been developed by students for students.

Students love the competitive environment, native-speaker pronunciation, and intelligent testing. Teachers follow their progress live online. It is now New Zealand's leading online language software used weekly by thousands of students

As a teacher, you can set weekly homework exercises from the wide range of pre-made subject lists, or create your own customisable lists. You can even upload new words into Language Perfect, ensuring your students are only learning 100% relevant material.

This will be a hands-on workshop given by one of the creators – Craig Smith. They who has flown from New Zealand for this conference to present Language Perfect and discuss how it can turbo-charge your classroom.

Email [craig@languageperfect.co.nz](mailto:craig@languageperfect.co.nz) <<mailto:craig@languageperfect.co.nz>> for a 1-month free trial, or visit [www.languageperfect.co.nz](http://www.languageperfect.co.nz) <<http://www.languageperfect.co.nz>> for more information.

***Paris, je t'aime : Gigi Thiele***

With a focus clearly on la francophonie, Gigi has worked to develop a short unit of work to introduce Paris and les régions de la France for her year 10 classes. Enjoy a selection of learning tasks which will take students through Paris and then later in the year, through regions in France ending with students doing a blog of their virtual trip to France.

***Le Tour de France : Tania Christie***

Do you enjoy the Tour de France each year? There is a multitude of ways in which the Tour can be brought to life in the French classroom. Tania will present a brief overview of the Tour de France 2009, and show how you can plan to use it in your classroom this year. The Tour can be used at every level in primary or secondary French classes.
