

Concours Autocollants! 2011

In 2011 the TOFA Sticker Competition will run a little differently. We still invite your students to send their entries using the attached template and the judging process will proceed as normal with ten winning stickers and a number of runners up being selected for recognition.

This year TOFA will not be printing the stickers, instead we will make the winning selection of stickers available in pdf format in the resources section of the TOFA website.

This will mean that teachers will be able to print off as many stickers as they like free of charge, simply by purchasing the *Avery* self-adhesive circle sheets available from *Officeworks*.

The organising committee trusts that you will continue to support this initiative and looks forward to receiving your school's entries.
