

## Why We Learn French Forum

For Year French 10 students throughout WA

**Wednesday 28<sup>th</sup> May, 2008**  
*Penrhos College, Como, 9.30am – 12.*

Enrol now to avoid disappointment!

### **It's on again! TOFA is very happy to present the 2008, Why We Learn French Forum for Year 10 students.**

Once again, there is a great line-up of speakers including a Flight Attendant, a geophysicist, an Olympics Translator, and Ambassador and more! Each of these will speak briefly about how useful French is in their place of work, and in doing so will hopefully encourage students to seriously consider continuing with their French studies in Years 11 and 12. There will also be quizzes, games and the opportunity for students to meet French students from other schools – as well as a French morning tea!

**The cost of the Forum is \$5.00 per student.**

**Payment Option 1:** Send this completed form with a cheque for the correct amount to:
