

Why We Learn French Forum

For Year French Post-compulsory students
throughout WA

Wednesday 27th May, 2009

Penrhos College, Como, 9.30am – 12.30

Enrol now to avoid disappointment!

**It's on again! TOFA is very happy to present the
2009, Why We Learn French Forum for Post-
compulsory students.**

Once again, there is a great line-up of speakers who will each give your students an insight into the benefits of learning French as an additional skill in a global environment. Hopefully, these speakers will encourage students to seriously consider continuing with their French studies. There will also be quizzes, games and the opportunity for students to meet French students from other schools – as well as a French morning tea!

The cost of the Forum is \$5.00 per student.
